STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING

Personal Services includes an approved 7th police officer, a new City Hall office support position, 2% cost of living adjustment (COLA), and city-paid medical insurance premium increases January 2019. Property coverage premiums are estimated to increase by 7.5%. Collections include utility rate increases to take effect July 2018; 5% in Water and 3% Sewer Funds respectively. The financial impact of the new accounting software program continues to be reflected in the Dues/Fees line items and the Major Office Equipment Reserve Fund transfers needed. The Park Fund is proposed to receive all of the State Revenue Sharing Apportionment this year. A significant portion of grant funding has ended in the Investing In Aumsville Families & Childred Fund; however new funding sources will be pursued to sustain the youth programs for the coming years. In the System Development Charge (SDC) Funds, about twenty EDU's are estimated to be submitted for permits during the coming fiscal year, between the Flowers Meadows Phase 2, Clover Ct. Subdivision, and other remaining lots. Three funds have been reactivated due to new development and improvement projects. The Storm Drainage System Development Charge Fund has been re-established to account for Storm Drainage SDC's that will be assessed on construction in the Clover Subdivision. The Special Project Fund will be used to account for an ODOT Safe Routes to School grant that will fund sidewalk and street improvements near Aumsville Elementary School. The OPRD Grant Fund is being re-activated to administer the funds anticipated to be received from an Oregon Parks & Recreation Department grant that the city is pursuing. These funds will be used to purchase and develop new park land on the east side of Bishop Road.
