Annual Easter Egg Hunt at Mill Creek Park

Sponsored by the City of Aumsville and these wonderful local heroes:
Aumsville Figaro's and Pietro's Pizza

(Please show your appreciation for these sponsors by supporting them with your purchases)

All children ages 1 - 12 years are invited!

When: Saturday, March 26th
PROMPTLY AT 9:50 A.M.

Where: Mill Creek Park, 1110 Mill Creek Road - Play Area in front of the Skatepark and the Softball Field. Meet in the parking lot in front of your specific age group area. The children will be separated by age groups and each age group will have their own egg hunting area. We expect lots of Easter family fun! **Bring your basket or a bag instead so your goodies won't fly out!**

AGE GROUPS:

1 – 3 Years Old -- Toddlers may be assisted by ONE adult (and adult helpers may not pick up prizes – they can only assist!)

No parent helpers allowed in these age groups:

- 4 – 6 Years Old
- 7 – 9 Years Old
- 10 – 12 Years Old

You're welcome to take pictures!

Special Guest: The Easter Bunny will be there with his basket of goodies and for pictures with your children.

The hunt includes eggs, candy, toys, and special eggs with surprise gift coupons inside, some to be redeemed at the event under the covered picnic shelter.

Hop down to Mill Creek Park for an Easter treat! We are hoping for wonderful weather that day, so stick around and play in the park when the Hunt is over.

Mayor's State of the City Message

The City enters the New Year, as it did last year, in a good financial position; as reported by the City's Annual Financial Report by the City's auditor. In the auditor's comparative of financial data for the last three fiscal years, they gave the city all smiley faces.

Projects and Issues:

WATER SYSTEM

The City Council has been working on our Water System goals, for future projects, estimated costs, and rate for projects.

The projects we projected for last year were the water tower well rehab, but that has been delayed due to new regulations that we have to work through; and Tower Well repairs and re-paint.

We also have Reservoir maintenance, the one-million gallon reservoir interior recoating, and purchase of a stand-by generator for the Million Gallon Reservoir.

Last year the city was awarded the Best Tasting Ground Water in Oregon, as well as the Best Tasting Water Overall at the Oregon Association of Water Utilities state competition in Bend. This year our Public Works staff entered another water sample for the state competition; and as last year's overall winner, a sample also sent to the National Best Drinking Water competition. We are anxious to see how we are rated nationally.

SEWER SYSTEM

Sewer system projects and goals in our 1-5 year plan: Del Mar main-line system upgrade plan and growth connection for flow improvement; and future connection needs for additional growth. The city will also be working on an upgrade plan of the contact chamber for new filtration, disinfection, and outfall; these plans are dependant on funding. Outside of these projects, there will be regular system ongoing maintenance.

STREETS AND STORM DRAINAGE SYSTEM

We're glad to have our 5th Street, south of Main Street, project completed with new curbs and sidewalks; the project was funded by gas tax revenue, and a Special City Allotment (SCA) grant.

Future street projects: an 8th Street overlay and an overlay on Michael Way. The city council did a street project needs assessment to prioritize the projects on a needs basis. We want to keep our streets in as good a shape as possible, by keeping up on continual maintenance projects.

PARKS SYSTEM

We have been updating our Parks Master Plan and planning for park improvements, additions and expansion. City parks are an important part of a city; and we want to have good attractive parks that can be a place where people want to go for activities and enjoyment. We appointed a Parks Committee to give input and ideas about our city parks; we appreciate those who volunteered to serve on the committee and look forward to their ideas and recommendations.

For a number of years the city has wanted to acquire Aumsville Ponds which is a county park off of Bishop Road. We had talked to the county several years ago, but at that time, it didn't work out. Now as an expansion of our parks, it looks like it may take place. If it works out, it would be a transfer of property from the county to the city, and would be a city park. It is in the conservation stage, nothing definite yet so we just pray it will happen; it would be a great addition to our parks vision and future.

As we've mentioned before, the Wildwood Park – Splash Park has been a big hit since it has been put to use. On several occasions this past summer, cars and buses have been parked on both sides of 5th Street with large groups of people enjoying the splash park. There is daily use by our Aumsville residents; but also people outside the city; one group as far away as Eugene. Our parks goal is to make our parks some of the best in our area; it takes time, but we're getting there.

Several years ago the city started the "Aumsville Children and Family Education and Recreation Programs." Now the Aumsville Park and Recreation (PARC) Summer Reading and Recreation program takes place each summer in Porter-Boone Park. Our PARC Commission and committee have been working hard to make this program successful. Special thanks to Councilor Lori Walters, the PARC Chair; Lora Hofmann, city staff; and those volunteering to make this program very successful.

SPECIAL PROJECTS

In July the city held the "Aumsville Interchange and Downtown Planning and Design Charrette" as the city partnered with the University of Oregon's Department of Planning, Public Policy, and Management, to create a comprehensive report. University of Oregon staff and students, as well as Aumsville residents, discussed ideas for future growth; using these ideas and recommendations that fit with our city motto, we will continue to make "Aumsville, a Great Place to Live"

In October, the City hosted the "Regional Planning Workshop and Small Cities Networking." There was a good representation of Mayors and Councilors and their staff. Since regional planning is important because it does impact all of our cities, it was beneficial that we held this meeting, with the hope of more future meetings.

The railroad issue is ongoing; we have had several meetings; we have made some headway, but not to where I would like it to be at this point. The State of Oregon Rail, to this point, do not want to have the railroad tracks abandoned and are hanging tough on that. But we're not going to let go until there is a reasonable resolution that will benefit the City.

The Safe Routes to School project is almost completed; so we're glad to be close to finishing a very important project. It will make going to and from school safer.

I want to close the State of the City message by thanking all of those who are volunteering their time in whatever way. Your willingness to invest your time helps to make "Aumsville a Great Place to Live." Our prayers for a happy and prosperous new year.

May God Bless,

Harold L White- Mayor

PUBLIC HEARING NOTICE

THIS IS TO NOTIFY YOU THAT AUMSVILLE HAS PROPOSED DEVELOPMENT ORDINANCE UPDATES COMING TO HEARING BEFORE THE AUMSVILLE PLANNING COMMISSION AND CITY COUNCIL

On Thursday, March 17, 2016 at 6:00 PM, the Aumsville Planning Commission will hold a public hearing and on Monday, April 11, 2016 at 7:00 PM, Aumsville City Council will hold a second public hearing regarding the adoption of amendments to Development Ordinance No. 323 and Comprehensive Plan Maps at the Chester Bridges Memorial Community Center, 555 Main Street, Aumsville.

You're invited to submit written or verbal public hearing testimony on The Development Ordinance amendments summarized as follows:

- Updated definitions for yards, buildings & setbacks to address current issues with accessory structures;
- Amendments to Sections 5.00 (RS - Residential Single Family) & 6.00 (RM - Residential Multi-Family) regarding general requirements, accessory structures, and setbacks;
- Clarification of land-use procedures;
- Clarification of clear vision requirements;
- Addition of language addressing recreational marijuana (if the opt-out ballot measure fails);
- Correction of scrivener's errors
- The official Zoning Map and Comprehensive Plan Maps are being amended to incorporate a recent park land purchase and partitioning.

The applicable criteria is set forth as follows:

Criteria of Recommending Development Ordinance Amendment:

- (A) That the requested change is in conformance with the adopted Comprehensive Plan of the city.
- (B) That there was a mistake or an update needed in the original ordinance or map.
- (C) That the conditions in the area have changed since adoption of the ordinance and/or zoning map.
- (D) The amendments will not interfere with the development or value of other land in the vicinity.
- (E) The amendment will not be detrimental to the general interest of the city and that there is a public need for the amendment.
- (F) That there is no other appropriately zoned property that could be used.
- (G) That the amendment will not over-burden existing and future capacity of public facilities.
- (H) That the amendment shall comply with applicable state and federal laws and regulations.
- (I) That the amendment shall comply with the Urban Growth Boundary and Policy Agreement existing between the city and Marion County.

A copy of the proposed ordinance, staff reports, all documents and evidence relied upon and criteria are available for public inspection at Aumsville City Hall for free or at a per copy cost. Additional information may be obtained from Lora Hofmann, Administrative Assistant or City Administrator Maryann Hills at (503) 749-2030; direct written testimony to their attention, for the public record, at city hall, 595 Main Street, Aumsville, Oregon 97325, or at the hearing. Written and verbal testimony should be directed toward the criteria and anyone wishing to testify should sign in and ask to be recognized. Failure to raise issue in person or by letter prior to the close of the public hearing with sufficient specificity to provide the Aumsville City Council opportunity to respond to the issue, precludes appeal to the Land Use Board of Appeals on this issue. The meeting location is accessible for persons with disabilities. A request for an interpreter for the hearing impaired, or for other accommodations must be made at least 48 hours prior to the meeting: Please call (503) 749-2030 and leave a message or Oregon Relay Service for TDD at (800) 735-2900.

NOTICE OF AUMSVILLE PLANNING COMMISSION - PUBLIC HEARING NOTICE

SUBDIVISION & VARIANCE APPLICATIONS

FLOWERS MEADOWS - 1759 Bishop Road, Aumsville

A public hearing on the Subdivision and Variance applications for property at 7591 Bishop Road, Aumsville, Oregon has been set before the Aumsville Planning Commission for **Thursday, March 17, 2016 at 6:00 PM**. The hearing will be held in the Chester Bridges Memorial Community Center, 555 Main Street, Aumsville. The applications have been filed by Jerry Flowers Enterprises, Inc. to subdivide 20.17 acres of property located on Map 81W30A, Tax Lot 1500 as permitted by Section 20.00 of The Development Ordinance. The Variance Application requests that the lots have less than the required 70-foot width/frontage.

The applicable criteria for the applications are set forth as follows:

Section 20.45 – Subdivision Decision Criteria:

Approval of a subdivision request shall require compliance with the following decision criteria:

- (A) The overall dwelling density shall be consistent with policies contained in the Comprehensive Plan.
- (B) Each lot shall satisfy the dimensional standards of applicable zoning district, unless a variance from these standards is approved.
- (C) Adequate public facilities including transportation shall be available to serve the newly created lots and transportation shall be coordinated with the school district. The subdivision shall comply with applicable requirements of Section 22.15 Transportation Impacts.
- (D) The subdivision shall comply with the applicable design criteria in Section 20.70.

Section 13.04 - Variance Decision Criteria:

A variance from the terms of the ordinance shall not be granted unless ALL of the following circumstances exist:

- (A) Compliance with the applicable requirement or standard of this ordinance would:
 - 1. Create a hardship due to one or more of the following conditions:
 - (a) The physical characteristics of the land, improvements, or uses that are not typical of conditions in the zoning district; or
 - (b) Such variance is necessary for the preservation and enjoyment of a substantial property right of the applicant possessed by the owners of other properties in the same vicinity or district; or
 - (c) That the special conditions and circumstances on which the application is based do not result from the negligent or knowing violation of this ordinance by the applicant.
 - 2. Not be materially detrimental to the public welfare or injurious to property in the vicinity or district in which property is located.
- (B) Strict adherence to the requirement or standard is unnecessary because the proposed variance will reasonably satisfy both of the following objectives:
 - 1. Granting the variance will not create significant adverse affects to the appearance, function, or safety of the use or uses on the subject property; and
 - 2. Granting the variance will not impose limitations on other properties in the area, including uses which would be allowed on vacant or underdeveloped properties.
- (C) Approval of this application will allow the property to be used only for the purposes authorized by the zoning district.

A copy of the applications, all documents and evidence submitted by or on behalf by the applicants, and applicable criteria are available for inspection at no cost and will be provided at a per-copy cost at least 20 days prior to the public hearing. A copy of any staff report will be available for inspection at no cost at least 7 days prior to the hearing and a copy will be available at a per-copy cost. Additional information may be obtained from Lora Hofmann, Administrative Assistant at (503) 749-2030 and written testimony must be directed to her attention, for the public record, at city hall, 595 Main Street, Aumsville, Oregon 97325, or at the hearing.

Written and verbal testimony is to be directed toward the criteria and anyone wishing to testify should sign in and ask to be recognized by the Chair. Failure to raise issue in person or by letter prior to the close of the public hearing with sufficient specificity to provide the Aumsville City Council opportunity to respond to the issue, precludes appeal to the Land Use Board of Appeals on this issue.

The meeting location is accessible for persons with disabilities. A request for an interpreter for the hearing impaired, or for other accommodations must be made at least 48 hours prior to the meeting. Please call (503) 749-2030 and leave a message or Oregon Relay Service for TDD at (800) 735-2900.

Opportunities to Share Your Views

Commissioner Janet Carlson

Over the next few months we're hosting a series of community town hall discussions across Marion County with the Board of Commissioners and representatives from our Public Safety Coordinating Council. We look forward to these annual opportunities to describe our progress and challenges on important issues.

However, our primary goal is to hear from you.

Marion County is Oregon's fifth largest county. It covers almost 1,200 square miles with a population of more than 322,000. We have 20 incorporated cities, more than any other Oregon county. With a mix of urban and rural communities, each area of the county has its unique needs and interests.

Each year the commissioners review our strategic priorities and assess our performance. Part of that review includes how we are meeting our residents' needs. We often hear that people really don't know what Marion County does; yet their lives are touched everyday by our employees and services.

Simple acts like taking out the trash, voting, obtaining a marriage license or passport, eating at a restaurant that passed Health Department inspection, and even paying your property taxes are examples of services that are supported by Marion County. Other services range from mental health to county parks; and from building inspections to the county fair. These are services made possible by our dedicated employees.

For our **annual State of the County community meeting, my fellow commissioners and I will participate in the Stayton Area Rotary Club luncheon at the Santiam Golf Club on March 23 from noon to 1 p.m.** We'll launch a topic or two from our recent State of the County address and then open the meeting for the audience's choice of topics. Everyone from the Aumsville-Turner area is welcome to attend!

Then on March 30, Public Safety Coordinating Council members will be back at Santiam Golf Club at 6:00 p.m. for a town hall forum to gather input about public safety issues.

Again, this is an opportunity for us to hear from you about your ideas, questions or concerns. Information gathered at these forums will guide the council's future work.

We're eager to meet with residents from Aumsville and surrounding communities to hear your thoughts. **If you can't attend, there are many more opportunities to visit with the commissioners in the upcoming months. For a schedule of community meetings, call us at (503) 588-5212 or visit our website at www.co.marion.or.us. Or simply send us an email about what is on your mind at commissioners@co.marion.or.us.**

Join the Aumsville Parks Advisory Committee to review draft plans and designs for park updates and acquisitions for the next 20 years.

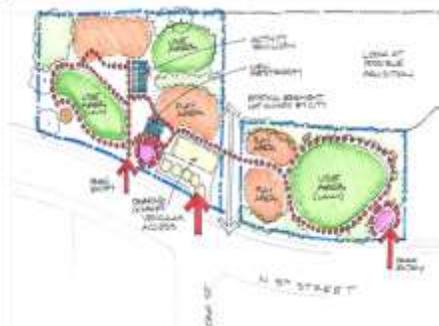

Public Open House
Monday, Mar. 7th from 5:30 - 7 PM
~Light refreshments will be served~

Chester Bridges Memorial Community Center
555 Main Street, Aumsville

The city is updating the AUMSVILLE PARKS MASTER PLAN for the next 20 years. As part of that process, the Parks Advisory Committee has been meeting to discuss where the city park system will go/grow in the future. Various designs have been drafted, including updates to our current parks and proposed future parks. When complete, these plans and designs will become the vision for parks for the next 20 years. The committee wants to know if they are headed in the right direction. In order to best represent the desires of the entire community, we need your input at this point of the process before finalizing the Park Master Plan. What is your vision and/or dreams for the city's park system? What does the future hold?

Currently being considered are changes to Mill Creek Park and Porter Boone Park, as well as updates to Wildwood and Highberger Parks. The plans being considered include obtaining additional parcels of land, including the addition of the Aumsville Ponds. Citizens have previously requested a non-leash dog park; a BMX bike park; a street skating area (for those that are not experienced enough for the current skate bowl); expansion of Porter-Boone Park and more updates to Wildwood and Highberger Parks.

Proposals for Wildwood Park...

At this meeting you will be able to review park designs, comment on them (good and bad), and share what you would like to see in the future. This is an open time to drop in between 5:30 and 7:00 pm, eat a little, and review the plans. There is no set agenda; we just want you to come by and share your thoughts.

THEN, Join the Aumsville City Council and Planning Commission as they host a second PUBLIC OPEN HOUSE sharing the proposed final plans for Aumsville Parks

When: Tuesday, March 29, 2016
5:30 - 7:00 PM

Chester Bridges Memorial Community Center
555 Main Street, Aumsville

RURAL TOURISM STUDIO COMMUNITY PROGRAM TO LAUNCH REGIONAL TOURISM INITIATIVE

Sign up now for local trainings starting Mar. 29th

Remember the North Santiam Economic Vitality Summit held by GROW-EDC last year? Thanks to the momentum created as a result of that summit, Travel Oregon's Rural Tourism Studio community program will be offered for the North Santiam River region starting March 29.

GROW-EDC was awarded the opportunity to pilot a condensed version of Travel Oregon's Rural Tourism Studio. The Studio is a progressive project that includes community trainings to ultimately build a cohesive outdoor recreation product and brand for the region.

This training program is designed to assist rural communities in sustainable tourism development. Travel Oregon hopes the program will increase high-value, authentic experiences for travelers, thereby strengthening Oregon's position as a premiere North American tourism destination.

“We want to be known as an important outdoor recreation destination in our own right, not somewhere you drive through to get to somewhere else,” says GROW-EDC Executive Director Allison McKenzie. “By linking outdoor recreation assets through the region and working together to promote tourism, visitors can come and enjoy what is special and unique about each of these individual communities.”

The Community Tourism workshops will be held on Tues., Mar. 29 and Tues., Apr. 12 from 9 a.m. to 5 p.m. at locations to be determined. In addition, there will be four online training webinars (20 minutes in length) between the first and second workshops to be completed individually, or through a facilitated group discussion.

The program is open to anybody who has a business connected to tourism and any community member or city official interested in tourism from the communities of Aumsville, Scio, and all of the towns in the North Santiam River corridor up to Marion Forks. Registration is required. For more information on the studio or to register, e-mail Allison McKenzie at allison@growsantiam.org.

POLICE CORNER

Richard Schmitz, Chief of Police
503-749-2188

In January, the department responded to 88 calls for service that resulted in reports being taken. In addition, we investigated 19 crimes with 12 arrests. These are all broken-down in table form.

Additionally, there was \$5787 in property stolen, \$0 damaged, \$5000 recovered, and \$40 found property. Two dogs were taken to Animal Control.

Reserves worked a total of 235.5 hours during the month of January: 212.5 volunteer hours and 23 paid hours.

Easter egg Hunting Safety Tips For Parents

It's that time of the year again when your children get to search for Easter eggs and get candy. Here are 5 safety tips for your little ones during the celebration of Easter.

- **Candy-** Small pieces of candy can be a choking hazard for small children under the age of 3.
- **Eggs-** Tradition of decorating eggs can be a lot of fun for the children. However, remember that eggs that are left out for too long can spoil if not refrigerated.
- **Cleanliness-** Wash hands before and after working with raw eggs.
- **Nut Allergies-** Some Children have a nut allergy some worse than others. Make sure to check with their parent if it's okay to give their child anything that has nuts in it.
- **Traveling-** Some may be traveling to visit with family and friends this Easter Holiday make sure to Drive Safely, buckle up and do NOT speed.

Aumsville Rural Fire District

ARFD Newsletter

March 2016

VOLUNTEERS WANTED

SMOKE DETECTORS

Smoke alarms save lives. If there is a fire, smoke spreads fast and you need smoke alarms to give you time to get out. Having a working smoke alarm cuts the chances of dying in a reported fire in half. Almost two-thirds of home fire deaths resulted from fires in homes with no smoke alarms or no working smoke alarms. Contact Assistant Chief Brad McKenzie for a inspection or installation of smoke detectors.

IT'S TWINS!

**They have arrived!!!
Height: 10' 11"
Current Weight: 41,000 lbs**

Aumsville Rural Fire Protection District is proud to announce that our new fire engines have arrived. Please come share with us and our community as we place our new engines in service.

Aumsville Rural Fire District is dedicated to providing the highest quality service to our community. We have made a huge stride in that direction. There is no greater moment, for us, than being able to provide our community with the finest emergency service equipment this industry has to offer. We want to thank you our community for making this possible.

Please join us at the Aumsville Rural Fire Protection District apparatus dedication ceremony.

March 5th 2016 @ 9:00 AM – 11:00 AM

We will have cake and punch afterwards with an opportunity for the community to view inside and around the new apparatus.

Bond

Our Volunteers would like to thank the community for supporting the bond measure. The new equipment and apparatus that has been purchased with these bond funds are a huge boost to the moral of our department. They will assist us in providing the best service to our community.

Come in (between 8 am & 5 pm) and check it all out!

AUMSVILLE HISTORICAL SOCIETY NEWS

Aumsville Museum & History Center
599 Main St., Aumsville, OR

Closed for the Winter;

For an appointment, call: 503
749-2744; or 503 749-2585

Aumsville Historical Society met on Thursday, February 11th. President Ted Shepard presided over the business meeting. He reported that the required tax forms have been submitted and he has made the annual museum report to Aumsville City Council. Museum visitation increased in 2015. New acquisitions and newsletters were displayed. On loan for the evening was a replica of the museum, part of a kindergarten project. Each student had chosen an Aumsville building and, with a parent's help, made a model of it. Jessica and Bonny

*Museum
visitation
increased
in 2015*

Shepard covered a little box with paper decorated it to look like the museum's brick walls with doors, windows, awning and bench. It even has the clock on the front wall.

One of the 2016 inductees into the Cascade High School Athletic Hall of Fame was Renne' Lambrecht. She participated in numerous sports and is still a record holder. Congratulations, Renne'! Members of the Lambrecht family have been active members of AHS since its beginning. Serena Pummel announced that she will be retiring in a few months and plans to move back to the family home on Aumsville Highway.

Several months ago Judie Buhr Imel visited the museum and shared her family history. Recently Judie's cousin, Leona Weissenfels Beutler, provided some additional information. In 1932 her parents bought about twenty six acres between Mill Creek road and Mill Creek. Leona grew up there and knew all the families in the neighborhood. She went to church and school in Sublimity. Leona's father, Tony Weissenfels, Grew vegetables, plus flower and vegetable plants for sale. He also sold milk from his cows. Leona fondly remembers Prince and Queen, her father's team of horses. Sometimes Leona went with him to the Highberger Mill in Aumsville. She recalls that the owner would always give her a nickel. She would use the nickel to buy an ice cream cone.

The Next AHS meeting will be held at 7 PM on March 10th in the community center.

For more information about AHS, or to arrange an off-season visit to the museum, please contact Ted Shepard (503-749-2744) or Karlene Santibanez at (503-749-2585).

Wanted!

Aumsville Royalty

***Aumsville is looking for its
2016 Corn Festival Court
sponsored by
Hillyer's Stayton Ford.***

We will be looking for five (5) young ladies to represent our city and festival at different events during the 2016 festival year.

Please fill out the attached application and return it to Aumsville City Hall NO LATER THAN 30 April 2016 – No application will be accepted after that date.

Aumsville Corn Festival Court Application

Name _____

Phone _____

Address _____

MUST be an Aumsville resident

Age _____ (Must be between 14 and 18 years old) Grade in school _____

Have you ever been to the Aumsville Corn Festival? _____

Have you ever participated in the Corn Festival? _____

If Yes, What did you do? How did you participate? _____

What are your hobbies, interests?

Do you participate in any extracurricular activities in school or outside of school?
(Sports, academic clubs, 4H, volunteering...)

Why do you want to be on the Corn Festival court?

Being on the court is a year round commitment. Would you be willing to make a one year commitment to serving as a Corn Festival Princess representing the Festival and the city? _____

Please return this application to Aumsville City hall **no later than April 30th**.

We will be calling you and scheduling interviews shortly thereafter.

If you have any questions, please e-mail Amy Evans, Court Manager @ amy.evans@wvbc.com or maamevans@msn.com

News from the Chicken Coop

Submitted by City Clerk Rogers

A two year pilot program to allow chickens within the city limits was adopted by the City Council in June 2015 limiting the number of hens to four; **NO ROOSTERS.**

Compliance Tracking: There were NO complaints regarding chickens within the city limits during the month of February 2016. (2 total since plan was adopted)

Kid Friendly Chickens

Suggested breeds that interact well with humans and other hens:

- The Buff Orpington, in my opinion, is the dream chicken for families and backyard flocks. Mine follows us around like a puppy and loves to be picked up and loved.
- Barred Rock is my second favorite. I've owned several of these sweeties over the years. Not quite as social as the Buff Orpingtons, but non-violent and gets along well within a mixed flock.
- Cochins, Australorps, Wyandottes, Plymouth Rocks, and Sussex are also known to have mellow personalities and thrive well in the family flock. I don't have any experience with these breeds but you can find out more about them at <http://www.nwedible.com/best-chicken-breeds-for-families-with-kids/>

Chicks are available now through most of May at local farm stores.

The 14th Annual Marion SWCD Native Plant Sale Fundraiser will be held from 10 a.m. to 6 p.m. Friday, March 11, at Bauman's Farm and Garden, 12989 Howell Prairie Road, Gervais Ore., 97026. Overstock will be sold from 9 a.m. to 1 p.m. Saturday, March 12, at the same location.

Profits from the native plant sale go to fund the Stan Vistica Memorial Scholarship which is awarded yearly to two students from Marion County who are studying natural resources or agriculture at an Oregon college or university.

There will be no pre-orders. Cash, checks, credit and debit cards will be accepted. There will be no limit on the number of plants that can be purchased on Friday. For more information or to see a full list of available plants and their prices visit, www.marionswcd.net.

2016 Marion SWCD Native Plant Sale Price List

- Gutters
- 2x4 lumber scraps
- Hoses/Drip Systems
- Watering Cans
- Seeds: peppers (green or red), carrots, broccoli, cauliflower, onions, green onions, beans, potatoes, parsley, basil, chives, tomatoes, spinach, turnips, zucchini, yellow squash, cabbage (purple or green) and kale

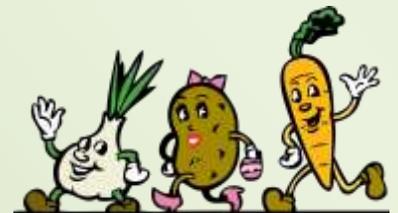

Donations can be dropped off at the Aumsville Grade School 3-5 building

No Gardening Donations?

No Problem! We have a GoFundMe Page
<https://www.gofundme.com/v9b92x2s>

Thanks a Bunch!
Aumsville Elementary and The Garden Huddle

POOP!

New Mutt Mitt Poop Station!

~

**At the Evergreen St.
Entrance to Porter-Boone
Park**

Please help keep our park clean and sanitary for our children to play.

When you do your part by picking up after your pet, you are also keeping harmful bacteria from leaching into our streams and water supply.

Notify Public Works
when station is full or mitts need to be refilled at 503-749-1185.

Grass and Weeds Public Notice

No owner or person in charge of property shall allow noxious vegetation to be on the property, or in the right-of-way of a public thoroughfare abutting the property. An owner or person in charge of property shall cut down or destroy grass, shrubbery, brush, weeds or other noxious vegetation as often as needed to prevent them from becoming unsightly, from becoming a fire hazard, or in the case of weeds or other noxious vegetation, from maturing or going to seed.

Noxious vegetation is a nuisance in our community. The city is willing to remove the nuisance of a particular parcel of property at the request of the owner or person in charge of the property for a fee sufficient to cover the city's abatement costs. *Even in the absence of such requests, the city may abate** all such nuisances 10 or more days after the final publication of this notice and charge the cost of doing so on a particular parcel of property to the owner or person in charge of the property itself.*

Your cooperation is much appreciated, especially by our police department whose duty it is to enforce our nuisance ordinance.

***abate means to suppress or end a nuisance, act, or writ, or be suppressed or ended*

SURPLUS PROPERTY USED STREET SIGNS

The City of Aumsville will be accepting sealed bids for approximately 20 used street signs to be sold as one lot. Two are stop signs and the rest are street signs. Bid opening will be at 2pm on March 23rd. You may turn your bid into City Hall at 595 Main St. The signs will go to highest bidder. Call Brandon at 503-749-1185 for more information.

Emergency Preparedness Corner

Welcome to the Aumsville Emergency Preparedness Corner!

The goal of this corner is to assist the citizens of Aumsville in preparing themselves and their families for a possible natural disaster or other emergency incident. In the event of a disaster; such as an earthquake, major flood or storm, tornado, wildland fire, or other such event, citizens will most likely have to provide for themselves until government assistance can reach them. This can be a matter of a couple days, or in a serious event, a couple weeks. Ask yourselves, are you prepared to take care of yourself, your family, and your pets for 2 weeks? Most citizens would reply, "No."

I don't know about you, but this sounds overwhelming to me. So many questions come to mind, what do I need, how much food, water, and what medication should I have? **How do I start Planning?** Over the next year, we will provide ideas and activities for building your own 2-week emergency kit. We will also provide links for other useful web sites you can visit to get information and updates. We will help walk you through how to deal with this enormous task and **get you prepared.**

3 STEPS TO BEGIN:

1. **MAKE A PLAN:** This is a plan on how you're going to evacuate your house; drop, cover and hold on if there is an earthquake; gather supplies in case of evacuation; and communicate with your family.
2. **GET A KIT:** Do you go camping? If you have camping equipment your about 90% self-sufficient; now you need food, water, medical supplies, food for pets.
3. **STAY INFORMED:** What are the Hazards that could affect our area? Flood, earthquake, fire, to name a few. Stay tuned to TV news, radio, and local officials for Emergency Notifications in case of a disaster.

FIRST MONTH OF 12 MONTH PLAN FOR BUILDING YOUR 336 HOUR (2 WEEK) Kit:

ITEMS TO PURCHASE OR HAVE ON HAND:

- WATER – 3 GALLONS PER PERSON AND PET
- HAND OPERATED CAN OPENER AND BOTTLE OPENER
- INSTANT DRINKS (COFFEE, TEA, POWDERED SOFT DRINKS)
- FLASHLIGHTS WITH BATTERIES – MINIMUM 2

ACTIVITIES:

- MAKE YOUR FAMILY DISASTER PREPAREDNESS PLAN
- INVENTORY DISASTER SUPPLIES ALREADY ON HAND, EXPECIALLY CAMPING GEAR
- IF YOU WILL USE YOUR OWN WATER CONTAINERS, DATE THEM AND REPLACE THEM EVERY SIX MONTHS
- CONDUCT A HOME HAZARD HUNT – FOR A LIST OF HOME HAZARDS PLEASE VISIT WWW.EMERGENCY.CDC.GOV/DISASTERS/EARTHQUAKES/INSPECTING.ASP

AUMSVILLE COMMUNITY GARDEN NEWS!

It's time to start thinking about planting and getting beds prepared for the season!

There are currently several beds available; if you are interested, contact Patty Massingale at pattymthearc@gmail.com

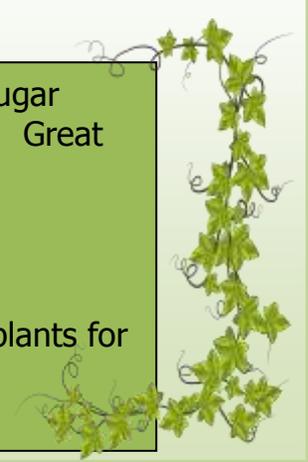

Adopt a Bed!

Volunteers are needed to help plant and maintain six raised beds along Cougar Street in the Highberger/Flowers subdivision. Adopt one or all of the beds. Great family or group activity!

For more information please contact:

Barbara Slimak @ 503-749-4306. She may also be of help with obtaining plants for the project.

About Marion-Polk Food Share

Marion-Polk Food Share is the regional food bank leading the fight to end hunger in Marion and Polk counties. Support from our local community makes it possible for the Food Share to collect and distribute nutritious food to more than 100 partner programs, including food pantries, meal sites, foster homes, low-income day care centers, shelters and senior housing sites. More than 40,000 people, including 16,000 children, receive emergency food each month through the Food Share partner network. The Food Share also supports programs to address the root causes of hunger.

**HIGHLIGHTS OF AUMSVILLE CITY
COUNCIL MEETINGS**

**JOINT CITY COUNCIL AND
BUDGET COMMITTEE MEETING
JANUARY 25, 2016**

Mayor White called the meeting to order in the community center. Council present were Mayor Harold White, Councilors Robert Baugh, Jr. Brian Czarnik, Della Seney, Lorie Walters; and Budget Committee Members Dolly Bullington, Amy Evans, Ray Mandyck, and Joel Mathias. Council absent was Councilor Nico Casarez; and Budget Committee Members absent were Laura Bridges, Andrew Dershon, and John J. Hortsch. City Administrator Maryann Hills was also present.

VISIONING: Water System Funding Scenarios

Ed Tabor, Business Oregon Finance Officer – Infrastructure Finance Authority (IFA) reviewed a One-Stop Project summary handout and discussion of it followed. City Administrator Hills explained the Water System Improvements project description to include replacement of the Million Gallon Reservoir interior coating, as discussed at the last budget committee meeting; as well as three other top Water Master Plan and Visioning Plan priorities to install a water pump station emergency generator, install a 10-inch water line loop, and phase 2 of the Water Tower repairs goal to repaint the exterior of the water tower. Discussion followed on these being Visioning Plan Priority A-3, Priority A's and the Priority B Water Master Plan water line looping project goals. Loan payment water rate increase discussion followed, along with the 20-year IFA vs the 40-year USDA loan scenarios. They considered this initial funding of these priority projects and the need for future Water Master Plan projects funding. Discussion followed on loan funding and rate increase timing; along with the current water system loan balance, interest rate, and escalated payment plan in place for 2021 payoff. Consensus was to proceed with a 20 year loan scenario.

ADJOURNMENT: 8:57 PM without objection.

**REGULAR MEETING MINUTES
FEBRUARY 8, 2016**

Mayor White called the meeting to order in the Community Center. Council present were Mayor Harold White, Councilors Nico Casarez, Brian Czarnik, and Lorie Walters. Council absent were Councilors Robert Baugh, Jr, and Della Seney. City Administrator Maryann Hills was also present.

VISITORS: Annual Aumsville Historical Society (AHS) Report - Ted Shepard, AHS President reported 254 volunteer hours, a current membership of 52 people, and \$1925.80 operating costs last year. AHS continued to operate the Aumsville Museum and History Center extended hours for the Corn Festival and Saturday Market. The 273 guests is an increase of 107 due to the Saturday Market. New records include: a box of Porter Family items, records from the Aumsville Christian Church, Corn Festival photos and trophies from Debi Archer, an assortment of Aumsville High School Reunion photos, and an old wooden Aumsville City Hall sign donated by Daniel Woellmer. President Shepard noted two guest speakers: Carl & Sue Beals, authors of Oregon State Prison Superintendents - The Shepherds of State Street 1864-2009; and local author Gil Stewart, who wrote Hidden History of the Central Willamette Valley. Mayor White thanked Pres. Shepard for the annual report and the valuable contribution AHS makes to the community.

Cascade High School DECA members were introduced by DECA Vice-President Jessica Casarez. She explained that DECA is a business and marketing organization. A Role Play handout was given and explained to council. The DECA members explained their State Competition and an upcoming Valentine's Day Social to get to know the members more and to get more involvement in DECA; it is one of the monthly socials that they do. Mayor White commended the students. Councilor Casarez shared that DECA deals with real world situations and because of that, they can make good career choices. DECA Vice President Casarez stated that they help out at the Corn Festival and that DECA has been at Cascade High School for 27 years now.

Trina Lee introduced herself to council and said that she has submitted a letter of interest in the Aumsville City Council vacancy. She enjoys living in Aumsville, follows the city on the website and in the newsletter. She said she thinks that she will make a great addition to the group. Mayor White stated that it is nice to meet her in person.

ORDINANCES & RESOLUTIONS: Council considered AN ORDINANCE REPEALING ORDINANCE NO. 361, WHICH PROHIBITED THE DELIVERY AND POSSESSION OF LESS THAN ONE OUNCE OF MARIJUANA. Council moved to approve the first reading and second readings by title only and adopt AN ORDINANCE REPEALING ORDINANCE NO. 361,

WHICH PROHIBITED THE DELIVERY AND POSSESSION OF LESS THAN ONE OUNCE OF MARIJUANA. The motions passed unanimously.

UNFINISHED BUSINESS: Council considered the Yard Debris Input Survey Outcome. City Administrator Hills recommended contacting Republic Services to conduct a survey with their billing that would include a price for those who opt-in to use the service. Councilor Czarnik concluded that in response to this survey input, we can now question Republic Services that if an estimated 59% or 750 of our residents were to "opt in," would they be able to provide yard debris service? And what would their rates be? Would they like to put out a survey to indicate if you could get 59% or more to sign up? City Administrator Hills will report back to council on Republic Services' response to these questions.

COUNCIL REPORTS: Council discussed the input City Administrator Hills received from Marcie Clark from her research on What Do You Love About Your community? What Would You Change? What Would You Invest Your Time or Resources In?

Councilor Casarez reported on his tour of the Marion County Jail as well as his attendance at an Emergency Operations Plan (EOP) meeting at city hall with Police Chief Schmitz (the city's Emergency Management Director), City Administrator Hills, Public Works Director Oslie and Fire Chief Isaak. Council discussed Evacuation Routes and City Administrator Hills reported on coordination with the Aumsville Rural Fire District. Council discussed getting out public information on emergency preparedness, meeting in evacuation areas, emergency drills, and future EOP updates and meetings. City Administrator Hills shared an Integrating Hazard Mitigation into Local Decision Making Draft handout that was circulated and discussed; she will get a copy into council boxes. Councilor Casarez noted the importance of educating people to be prepared.

Councilor Czarnik reported that there in upcoming CERT Training in Salem this Spring.

Councilor Walters said that the rails to trails would be another way to get out in case of an emergency. City Administrator Hills reported that a conceptual plan of trails is included in the Park Advisory Committee discussion.

MAYOR'S REPORT

Mayor White reported that the Mid-Willamette Valley Council of Governments (COG) annual meeting went well, and that Salem Mayor Peterson received a well-deserved award. He also noted that Senator Winters is recovering from some health issues.

ANNOUNCEMENTS: City Administrator Hills' announced her resignation; giving her written notice, effective April 15, 2016. She thanked council for the opportunity to serve them and the City of Aumsville, saying that it has been a blessing in countless ways! Council was surprised at her decision and discussed with her continuing on with the city through the budget and city administrator recruitment processes. Council encouraged her to bring back a contract for them to consider temporary continued employment with the city. She discussed with council contacting the COG for a City Administrator Recruitment proposal and council consensus was to request a proposal for consideration at their next meeting.

ADJOURNMENT: 9:04 PM without objection.

VISIONING MEETING MINUTES FEBRUARY 22, 2016

Mayor White called the meeting to order at 7:00 PM in the community center. Council present were Mayor Harold White, Councilors Robert Baugh, Jr, Nico Casarez, Brian Czarnik, Trina Lee, and Della Seney. Council absent was Councilor Lorie Walters. City Administrator Maryann Hills was also present.

City Council Vacancy Appointment: Trina M. Lee, 315 N 8th Street introduced herself to council and summarized her Feb. 3, 2016 Letter of Interest and resume. She has over 25 years public service with the State of Oregon, and has lived in Aumsville for a year and a half. She said that she is going to ask very good questions and outlined her skills and talents, stating that she wants to be involved. Councilor Seney asked if she would be interested in being elected to the position at term expiration and she answered that this appointment will give her the experience to make an informed decision at her term expiration. Councilor Baugh moved to accept her letter of interest and swear her in tonight to fill the city council vacancy. Voting for the motion were Mayor Harold White, Councilors Baugh, Casarez, Czarnik, and Seney; the motion passed unanimously. Mayor White administered Trina M. Lee's Oath of Office and welcomed her to the city council.

VISIONING:

Mid-Willamette Valley Council of Governments (COG) Proposal for City Administrator Recruitment - Nancy Boyer, COG Executive Director reviewed the scope of services for the city administrator recruitment process with council, and it was discussed. Ms. Boyer informed council on how the mandated Veterans Preference affects the process. Councilor Lee shared her experience with giving the Veterans extra points in the

process and Ms. Boyer, stated yes that will be done in the process, and the veterans' preference was discussed further. Councilor Baugh questioned the development of the position profile and asked if City Administrator Hills will be interviewed for its development. Ms. Boyer said yes, that can be done ahead of time and City Administrator Hills will also be at the meeting when council is developing what qualities and skills are important to them in the recruitment. The \$5,500 proposed cost for the recruitment was discussed. Council Baugh asked if council wants to go nationwide and a regional preference was discussed. Ms. Boyer stated the advertising costs are not included in the proposal and that advertising in the League of Oregon Cities and Oregon City County Management Association may generate candidates from around the country. She stated that your profile could be developed with an Oregon experience preference. She shared the similarities and proximity when including Washington in the recruitment process and it was discussed. Councilor Lee asked if there is room in the timeline to narrow the search and then if more candidates are necessary, the city could broaden the search, and it was considered. Ms. Boyer shared that the International City Management Association website is expensive to advertise on and that the joint Oregon/Washington conference is coming up and it would be good to have the position profile completed to have it there. Council considered ideal skills and abilities for the new city administrator and Ms. Boyer noted that minimum standards could be included. She shared the City of Carlton's minimum standards is their recruitment profile and they were discussed and considered. Ms. Boyer stated that with the size of Aumsville, she would anticipate that this may be a candidate's first time in a city management position and the City of Aumsville will be seen as a good job prospect for a variety of reasons. Potential assistant city manager or other municipal positions' applicants were considered. Council discussed moving ahead with hiring the COG for the process, and consensus was to proceed with the COG recruitment agreement. Ms. Boyer stated that she will see council at their next meeting.

City Administrator Hills referred to the City Charter: Section 20. City Administrator, Item (9); on vacancy in the position. She gave council a Draft City Administrator Employment Agreement as a confidential exempt public record and a Feb. 19, 2016 letter to her from City Attorney McGehee regarding the issue. She also gave council an Attorney-Client Privilege Letter to Mayor White and Councilors as an exempt public record.

EXECUTIVE SESSION: The council entered into executive session at 7:51 PM in the city hall conference room, under the authority of ORS 192.660(2) (a) to consider the employment of a public officer, employee, staff member or individual agent. And also under the authority of ORS 192.660 (2) (f) to consider information of records that are exempt by law from public inspection. The executive session was taped and adjourned at 9:30 PM. Mayor White reconvened the regular meeting at 9:34 PM.

Executive Session Outcome: Mayor White reported that council discussion concluded to accept the City Administrator employment agreement with changes. City Administrator Hills respectfully declined council's counteroffer. She confirmed that her written resignation date is Apr. 15, 2016 and with her scheduled leave, her last day in city hall will be Mar. 31, 2016.

Council considered City Charter Section 20 requirement to appoint an administrator pro tem when the office of administrator becomes vacant. They reviewed the Possible interim City Managers/Administrators list included with the COG proposal and the staff input that if council goes with an interim, that they would like consideration of Dave Kinney or Sam Sasaki.

Council considered the Staff Request for Council Input - City Sponsored Event Staffing. City Administrator Hills referenced the Feb. 10, 2016 Team Meeting Notes when the issue came to her attention. Councilor Casarez stated that his perspective on it is that he has worked well with the staff in the past and the main challenging part is the parade. He noted his part in not communicating well with staff and stated the he is trying to work out his schedule, so he will have more time to collaborate and communicate with staff on the city events. He would like the parade to stay in the city's hands and to meet with city hall staff to resolve the issue. Councilor Czarnik questioned the parade and the Corn Festival Court in the past not being a part of the Corn Festival Board. City Administrator Hills shared that the city's part of the Corn Festival Event, the Parade and Games; and in the past Corn Festival Court, are entirely separate from the other Corn Festival Board parts of the festival event. Council also discussed the history of the Corn Festival Board and City Council time involvement in the event. Councilor Casarez said that he would like to retain the parade under his umbrella as long as he is in office. Councilor Lee asked if he is proposing a fourth option or a blending of the other options. Councilor Casarez said that he proposes the status quo with improved communication, and it was discussed. Councilor Casarez also stated that he will consider going with Option 2, if city staff will continue

to do the preliminary planning and coordination leading up to the event. Councilor Czarnik stated that this appears to be staff questioning who's in charge, and discussion of past event challenges followed. Mayor White stated that Councilor Casarez will meet with staff and work on a solution. City Administrator Hills clarified it would be a revised Option 2, with him proposing to keep city staff involved during work hours. Councilor Baugh stated that city events are at the council's direction and that this council is making sure events keep getting done, that is the focus, not how it is getting done. Council considered giving staff a clear directive that they make city events a part of their paid work. Councilor Casarez stated that council agrees that these events be part of their community and we will have to collaborate to make them a continued success. He stated that volunteers in general are a challenge. Council considered if they have to make a decision tonight, and supported Councilor Casarez meeting with staff and reporting back to council. City Administrator Hills noted that the Memorandum of Understanding with the Corn Festival Board also needs to be reviewed for the city staff and park commissioner involvement. Councilor Casarez stated that he will work with City Administrator Hills on meeting with staff and make a report to council. Council extended the matter to the March Visioning meeting.

UNFINISHED BUSINESS:

Council considered the Feb. 11, 2016 letter from ODOT Rail and City Administrator Hills recommended proceeding with a Pre-ODOT Rail Order for the 1st Street left turn lane, that is warranted by the new Flowers Meadows Subdivision. She explained that the city has the opportunity to request the pre-rail order to see how the letter scenario for mandated rail improvements would play out, and it was discussed in length. Council shared their understanding and opinions of the letter and considered that Marion County is also the road authority.

Council considered the need to appoint a budget officer with City Administrator Hills' resignation. Council moved to approve to appoint Josh Hoyer, Finance Officer as Budget Officer, and the motion passed unanimously.

Council received the Feedback Request – Hazard Mitigation Tools for Division Makers Final Draft

OTHER BUSINESS: Councilor Baugh volunteered to do an exit interview with City Administrator Hills, and she stated that she would not be comfortable with that; and it was discussed.

ADJOURNMENT: 11:01 PM without objection.
