Aumsville Police Department celebrates with Aumsville Elementary "Back to School BBQ"

Aumsville Police Dept. joined the Aumsville PTC and Aumsville Elementary staff, cooking hot dogs for Aumsville's 'welcome back to school' event on Fri. night, Sept. 16th. A special acknowledgement to Chief Schmitz and Police Clerk Campbell for personally purchasing the hot dogs. The PTC provided beverages and chips. 300+ had a great family night on the refurbished playground!

Check it out on October 5th!

It's "Bike to School" Day. Students are encouraged to ride their bikes to school; they will join with Police Chief Schmitz, Community Resource Officer Gollinger, and the Aumsville PD's bike officers to take a trip around town. Don't miss the fun!

Mayor's Message

Unlike last year's Corn Festival, the weather was not a factor; we had a beautiful day and large crowds at the parade and at the Festival site, Porter Boone Park. The parade this year was one of the longest we have had. The participation of coach Steve Turner

as Grand Marshal and the 2015 4-A State Football Champions, Cascade Cougars; as well as the Cascade marching band was a great addition to the parade, and well received. We thank the Public Works and City staff, and the parade volunteers and supporters for a job well done for a great parade.

This year's Corn Festival site, as every year, had long lines of people waiting to eat delicious buttered corn, and a constant flow of people coming to the park to enjoy the day. I've had so many comments as to how people enjoyed the festivities and how they appreciated the family atmosphere at the Corn Festival.

There are so many people to thank for making the Corn Festival a great success: The Corn Festival Committee, Public Works, Police Department, City Hall Staff, all the volunteers, supporting businesses, and the individuals who gave financially or in some other way. We thank all for investing in our community in helping to make Aumsville a "Great Place to Live and Play!"

Again, the Aumsville Rural Fire District put on their annual breakfast; starting the festival off with an excellent breakfast; we thank them for giving the day a great start.

On September 14th, I attended the League of Oregon Cities sponsored "City Hall Day" hosted by the City of Keizer; Aumsville City Councilor Lori Walters also attended. The purpose of the meeting was to discuss issues that would be coming before the legislature for the next legislative session in 2017. Those who attended were legislators and those candidates running for the office of State Legislator, Mayors, some City Councilors, and League of Oregon Cities staff.

The primary issues discussed were:

1. Comprehensive property tax reform
2. Recreational Immunity
3. Transportation
4. PERS retirement issues

This gave the Cities the opportunity to let some, who may become a legislator, hear from Cities on these and other legislative issues that may affect them. It was a great opportunity to have personal face to face interaction, which is the most effective.

May God Bless

Harold White Mayor

MEMO FROM THE CITY ADMINISTRATOR

I would like to extend my sincerest thanks to the Aumsville community for the warm welcome in accepting me as your new City Administrator. As I enter my fourth week here, I have been fortunate to witness the Corn Festival, Volunteer Recognition Picnic, and Summer Youth Reading and Recreation programs. These were all excellent examples of the way this community, and the people who live here, work to improve the quality of our city and quality of life experiences as we raise our families here.

I feel truly blessed to be part of this community and to be able to help build and participate in the efforts to reinforce the City motto, "A Great Place to Live." To have a motto is wonderful, and to be able to incorporate it seamlessly within the local culture is very difficult; however, Aumsville has done just that.

As we look toward the future, my goal is to build upon the great work that has already begun here in Aumsville. It is my hope to add to, and continue, the legacy of supporting and enhancing Aumsville as a great place to live.

Don't be a stranger. Feel free to stop by City Hall and say HI!

Aumsville Food Bank Open for Business! Planning Meeting for the Future: Oct. 4th

Aumsville Pentecostal Church of God (PCG) opened a new food bank mid-September for Aumsville. Pastor Nylund said that they've had a good start, including volunteers offering to help.

So, what can you do? There is an informational meeting with Marion-Polk Food Share on Tuesday, October 4th at 11 am. All who are interested in the future of the food bank are invited to join the conversation. Lunch will be provided.

If your family has need for food bank services, the food bank is open every Thursday from 9 to 11 am and 3 to 5 pm. Aumsville PCG is glad for any volunteers, tax-deductible cash contributions, and food contributions. They can be reached by email: aumvillepcg@gmail.com or phone: 541 228-0474.

If you want to help with a food donation, consider dropping some of these "high demand" items at the church:

- Canned meats like tuna, stew and chili
- Canned vegetables & fruit
- Peanut Butter
- Pasta & pasta sauce
- Healthy cereals

<p>AUMSVILLE FOOD BANK HOURS Thursdays - 9am-11am and 3pm-5pm</p> <p>Location: Pentecostal Church of God (the little yellow church off Leverman Rd.) 10153 Mill Creek Rd. Aumsville Email: aumvillepcg@gmail.com Call: 541 228-0474 for more info.</p>

Emergency Preparedness Corner

EIGHTH MONTH OF 12 MONTH PLAN FOR BUILDING YOUR 336 HOUR (TWO WEEK) KIT:

PURCHASE:

- Several boxes of crackers or graham crackers
- Dry cereals
- "Child proof" latches or other fasteners for cabinet doors and drawers
- Several boxes of large, heavy duty garbage bags
- Camping or utility knives

ACTIVITIES:

- Secure shelves, cabinets, and drawers to prevent them from falling and/or opening during earthquakes.
- Meet with neighbors to inventory expensive equipment that could be shared in the event of an emergency, such as chainsaws, chippers, shredders, utility trailers, snow blowers, and 4 wheel drive vehicles

We are now 8 months into providing information on emergency preparedness and we want to hear from our citizens about how your emergency preparedness planning is going. Have you made a plan? Are you building your kit? Talk about what you've done, don't be shy or ashamed that you have a year's worth of food and water in storage. Be proud! Only 40% of Americans are prepared. Stop by city hall, drop us a note, post on the city's Facebook page and tell us how your prepping is going!

**Be informed, make a plan,
build a kit, get involved.
Everyone can take steps to
prepare for an emergency.**

**Make disaster preparedness
a part of your everyday
routine and protect yourself
and loved ones**

**Being prepared needs to
become part of who you are!**

It's time to get ready for the great Oregon shakeout event happening on Thurs., Oct. 20 at 10:20 am.

Oregonians must get better prepared before the next big earthquake, and practice how to protect ourselves when it happens. The purpose of the shakeout is to help people and organizations do both.

Plan your drill – register to be counted in the shakeout drill, get email updates, and more. Between now and Oct. 20th – consider what may happen when an earthquake shakes your area. Plan what you will do now to prepare, so that when it happens you will be able to protect yourself and then recover quickly! On Oct. 20th at 10:20 a.m., drop, cover, and hold on – drop to the ground, take cover under a table or desk, and hold on to it as if a major earthquake were happening (stay down for at least 60 seconds).

Get prepared – what we do now, before the earthquake, will determine what our lives will be like after.

Visit www.shakeout.org/oregon for more information and to register for the great Oregon shakeout!

The Marijuana issues referred to November ballot

by Commissioner Sam Brentano

Measure 91, Oregon’s recreational marijuana initiative, was approved by Oregon voters in November 2014. A lot has happened since that time. The Oregon Legislature, Oregon Liquor Control Commission (OLCC) and other state agencies have been working through how this new program will be administered.

While Measure 91 passed statewide, in Marion County the recreational marijuana initiative failed by 51.56 percent. State law allows the county to put to a vote the future expansion of recreational marijuana businesses outside of city limits. My fellow commissioners and I recently referred three measures related to marijuana to the November ballot.

My goal is not to convince you to vote one or another, rather to make sure county residents are informed about what they will see on the ballot. Although all voters in Marion County will have the opportunity to weigh in on this issue, the outcome will only affect the unincorporated areas of the county outside of city limits.

Voters will determine:

- Whether to allow the establishment of medical marijuana processing sites and dispensaries in unincorporated Marion County. This measure will not affect medical marijuana grow sites or existing permitted dispensaries.
- Whether to allow the establishment of recreational marijuana businesses including retailers, producers, processors, or wholesalers in unincorporated Marion County.
- Whether to establish a three percent local tax if the voters allow recreational marijuana businesses.

None of these measures encroach on an individual’s right to possess, grow or use marijuana under Measure 91. Again, these measures affect only the unincorporated areas of the county and do not affect the authority of incorporated cities to allow recreational marijuana businesses.

This vote provides the residents of Marion County the opportunity to either confirm their 2014 vote or change direction. As a county, we are exploring provisions for either outcome.

New community newsletter

We recently launched a new community e-newsletter – Marion County TODAY. We’re looking forward to this new opportunity to keep you up to date on what’s happening in Marion County. You can expect to hear from us with news and announcements about our programs and services. We hope this publication will help improve community understanding about important issues affecting our residents.

To see our first issue or sign-up for our mailing list, visit us at <http://bit.ly/MCToday>.

Commissioner Brentano can be reached at (503) 588-5212 or by email at commissioners@co.marion.or.us.

(503) 749-2894

FAX (503) 749-2182

arfd@wbcable.net

Hello Community members,

All of our volunteers here at Aumsville Fire work hard to serve our community. I would like to take this time to acknowledge a few outstanding individuals. Due to their hard work and dedication, **R. Ott** and **R. Surette** received a promotion and now hold the rank of Lieutenant. In addition to our two new Lieutenants, **S. Oglesbee** and **A. Magana** have graduated from Recruit to Fire Fighter 1 rank, and **R. Stevens** has graduated from Recruit-Cadet to Senior Cadet. Each rank takes several hundred hours of training and dedication to achieve, and it allows individuals with at least a Fire Fighter 1 rank to act as part of the team on scene or at a medical call. Please help me congratulate these individuals as our community benefits from their dedication which is greatly appreciated.

Have you thought about helping your community? Would you like to learn skills that will benefit you later in life? Would you like a paid education? Do you want to be a part of something bigger than yourself? If you answered yes to any of these questions, Aumsville Fire can help you. We are always looking for dedicated volunteer Firefighters, Emergency Medical Technicians (EMT) and Support Team members who are willing to commit their time to helping others. If you are interested in becoming a Fire Fighter, the first steps include filling out an application and passing a background check. The next steps include learning the processes of the fire station and enrolling in the recruit academy, which is a hybrid class of on-line instruction followed by several weekends of hands-on training that is paid for by Aumsville Fire. Academy graduates are able to respond on structure fires, grass fires, wild land fires, and much, much more.

You might find that the medical field or Support Team member is more appealing, we can still use your help. Almost 60% of the calls we respond to, in a year, are medically related. If you are thinking about becoming an EMT, we provide the education from EMT Basic to Advanced Intermediate and cover the cost of schooling! These classes are also prerequisites for the paramedic program. This could be a great way to get started in the EMS field. We also need volunteers for our Support Team. The support team helps around the station in a variety of ways such as providing food and water at a major fire, helping with our events, or just helping out around the station. So, come in and grab an application, let's get you started on your path to serving your community.

Aumsville Fire will be hosting our annual Halloween open house again this year. The event will take place on Monday, October 31st between the hours of 5:00 pm and 9:00 pm. There will be opportunities to take photos with the fire engine, free safety glow sticks for the first 200 kids, and we will have 'trick-or-treat' candy for all those youngsters.

If you have any questions, please stop in and visit us. We can help get you started in the direction you wish to go.

Attention Ghouls and Goyz,

Make sure you follow my pumpkin rules for a safe Halloween

- 1) Stay with your friends.
- 2) Look both ways when you cross the road.
- 3) Stay on sidewalks when possible.
- 4) Have an adult check your candy before you eat it.
- 5) Carry a flashlight or glow stick.
- 6) Watch for cars backing out of driveways.
- 7) Only go to homes with the porch lights on.
- 8) Never go inside a strangers home.
- 9) Never cut across lawns or go through alleys.
- 10) Say thank you.
- 11) Have a spookingly good time!

Your Friend,
Mr. Pumpkin

Jodi HACK

STATE REPRESENTATIVE

Making Education a Priority, Finding Solutions

As a Grant Writer for schools, universities and non-profits, Jodi works hard to find private sector dollars to support schools and programs. She sees firsthand the needs in the classroom and wants more effort put toward insuring students enter school ready to learn and can read by third grade. Jodi served on the House Education Committee during the 2015-16 legislative sessions and was selected as an NCSL Standing Committee Member on Education. She was selected to work on the Task Force to address class size and helped to pass legislation addressing the issues related to assessment (and many others).

Fighting for Jobs & Wages

Small business is the backbone of our economy, making up 80% of all jobs, which is why Jodi wants more attention given to support small business expansion and startups. She believes that streamlining regulations, providing strategic business incentives and providing job training are key to stabilizing our local economy and providing jobs. Jodi was selected to serve on the Special Committee on Small Business Growth and will be working with small business across our state determining exactly what regulations and barriers there are for small businesses in all sectors (manufacturing, producing, farming, retail, restaurant and lodging).

A Leader of Ideas, not Partisanship

People are tired of partisanship and want real solutions and better results from elected leaders. Whether it is dealing with transparency and accountability or better support for seniors and veterans, Jodi believes cooperation and commonsense leadership is key to success.

"Jodi has proven to be a solid advocate for education, promoting legislation to adequately fund schools with a thoughtful approach of doing what is best for kids."

Chuck Bennett,
COSEA

"Jodi Hack did an exceptional job for District 19 residents this past Legislative Session. She worked hard to get the public's work done. Her knowledge of small business and farm issues brings a needed perspective to legislative decisions. I strongly support her re-election as our District 19 Representative."

Jim Bernau, Founder,
Willamette Valley Vineyards

"No one can outwork her for the common good. She is a consensus builder, with the ability to work with all concerned."

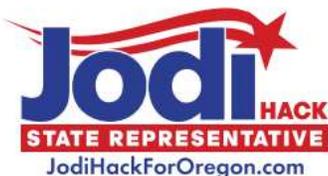

Dick Withnell

New Energy.
New Ideas.

"I want my work to always be building and strengthening our community and state. So I'm asking for your support to help me continue to serve as your State Representative."

Jodi Hack
State Representative

VOTE

Nico Casarez

for Mayor of Aumsville

PUTTING OUR CHILDREN & FAMILIES FIRST

"As your Parks Commissioner, I helped launch our PARC Summer Reading Program and worked with staff to secure grant funding to build the Splash Park, as well as make improvements to Porter-Boone, allowing us to be blessed with some of the best parks in the region! My priority as Mayor is to collaborate with council, staff, volunteers, sponsors and supporters to parlay our PARC program into a full time, year round program. This issue critical because our community can't be successful unless our kids are given they tools they need to be successful." –Nico Casarez

EXPERIENCE NEEDED TO GET THE JOB DONE

*Lived in Aumsville since June 1995.

***Elected City Councilor, serving as the Parks Commissioner (2009-Present):** In charge of the Annual Easter Egg Hunt, National Night Out volunteer, Head Marshal of the Corn Festival Parade and Games Coordinator, and play Santa Claus during Annual Santa Visit and Treelighting Ceremony.

***Founding Member, Aumsville Parks and Recreation Commission (PARC)'s Summer Reading Program**

*Volunteer, Aumsville Corn Festival (2008-Present)

***Member, Aumsville Historical Society (AHS)**

*Member, Marion County Transportation Advisory Committee, (2010-12)

***Member, Aumsville Centennial Celebration Committee (2011)**

Our community is strong only if we give our time to make it that way!

Resident of Aumsville since September 1996. Aumsville city volunteer since 1998.

Small Business Owner. 30 years as a volunteer working with youth in Scouting, athletics, and faith based, veterans, military reserve support activity organizations. Member of: OSU Alumni, Air Force National Guard Officer Associations, American Legion, and many others.

Public Safety:

Everyone deserves and expects to feel safe in their community. I support our Police, Fire, courts, and corrections system to ensure that we protect our community, homes, businesses, and the values we hold close.

Community Stewardship:

Aumsville faces many decisions regarding how we maintain and manage growth, prepare for the future and continue the long standing stewardship and leadership our city has come to expect. These decisions must be economical, be a productive and supportable system that pass the test of time, and truly have community commitment, understanding and support.

Jobs:

Private enterprise is the backbone of any community and provides for economic stability. I will work with business and city staff to reduce the barriers our small businesses face. As your Mayor I will always promote our cities businesses and look for resources and opportunities so we can attract and retain jobs.

Community Programs:

We need activities for our citizens here in our community. This is not a simple task that one can do alone, it requires infrastructure, community support, and financial commitment from each and every one of our community and city residents. We have many important groups who donate their time, and do great things for so many. They need our support. These programs are an essential part of a successful community identity, and one for which I am proud to be a part of.

Occupational Background: Waiter, Valet, Residential Construction, Aircrew Life Support and Survival Specialist, Wideband and Satellite Communications Technician, Communications Officer, Cyber Systems Operations Officer, Information Systems Analyst.

Educational Background: Oregon State University; Business Administration, NCO Leadership Schools, Academy of Military Science, Officer Professional Education, Associates of Science in Electronic Technologies, FEMA emergency Certificates, and many other relevant courses in operations and organizational planning.

Governmental Experience: Aumsville Planning Commission and Budget Committee, Aumsville City Councilor (Parks, Sewer and Water, Utilities Commissioner, and Council President). 32 years serving in the Armed Forces. 20 years working for the State of Oregon.

Volunteer Experience: Scholarship Chairmen, Scout Leader, Corn Festival Board and Committee member, Timber Carnival Coordinator, and Youth Coach for several sport athletics teams.

Those who know me would describe me as Dedicated, Honest, Experienced, Loyal, and Visionary!

"I ask for your support and vote for Mayor on Tuesday, November 8, 2016"

Support
Trina M. Lee
for Aumsville City Council

- ✓ Appointed February 2016 to Aumsville City Council

Re-elect Councilor Lorie Walters

I have served on council since 2011, and have been the Summer Reading and Recreation Program's Co-Director the past six years; along with Lora Hofmann, (staff at city hall) who works with me year-round to provide this award-winning program. Many of you may recognize me from that program. I have also volunteered at many city events.

Holding the office of city councilor is more than showing up for meetings; it's communication and team work; the ability to honor all who contribute to the success of a project. It isn't about "me"; it's about "US." I volunteer more than 150 hours beyond council meetings each year in support of family programs here in the city. I show up when I say I will, and I see a job through to the end. "Aumsville is a GREAT Place to Live" and I have worked diligently toward any improvement that continues that title.

We have a good council and have had an excellent mayor. I want to continue the many projects that the council has already started: a bike park, expanded family activities, clean affordable water, and a healthy budget. It is easy to say what a person is going to change or accomplish; however, my experience speaks to the knowledge of funding, priorities, and meeting the needs of all Aumsville citizens. I have been proud to be a city councilor and I am asking for your vote to continue my service to our citizens.

I am also asking you to vote for Robert Baugh for Mayor. His statements are true; he regularly attends the meetings; he gets things done through collaboration. He doesn't claim credit for the work of others. He's not a politician with fancy speeches; he does what he says he will do. He understands that service to community needs no recognition other than a job well done. He's a man that can be counted on.

Aumsville Elementary is having a FREE Harvest Party!

Friday Oct 28th - 5:30 to 7 pm - K-2 Bldg

As always there will be lots of fun (and FREE) games for kids to play.

New this year: **A HAUNTED HOUSE.**

*The PTC's Book Fair will be open and the Picture Booth is back! It only costs \$1!
Dinner Available: \$3 for "Walking Nachos" and \$1 for a soda or bottled water*

You can support the Harvest Festival Preparations by donating one bag of candy – send it with your favorite elementary school kid or drop it off at the school.

Coloring Contest Winners!

Pre-K thru 2nd grade

1st Place: Tyler Finnell

2nd Place: Isabela Gasperetti

3rd Place: Abby Gasperetti

3rd and 4th grade

1st Place: Madison Harbick

2nd Place: Gabriella Stutrud

3rd Place: Trinity Holloway

Honorable mention:

Arianna Ortiz, Dixie Mandyck, and Willow Emmons

5th and 6th grade

1st Place: Ayla Reis

7th thru 9th grade

1st Place: Nevaeh Good

2nd Place: Vanessa Carter

3rd Place: Aden Thurston

Honorable mention: Satine Reis

The 2016 Design was developed by Miss Summer Wakefield, 10th grade. Cascade High School Art Class, 2nd Period.

The 48th Annual Corn Festival was well attended and a great success. We had 66 vendors this year and we sold and gave away almost 26 tons of fresh *LOCAL* corn from Lewis Farms.

We again, thank our sponsors, Riverview Community Bank, Marion Soil and Water Conservation District, and Hillyer's Stayton Ford, and all the volunteers that make the festival a great family event for Aumsville.

A Big Thanks to the Cascade High School Band and their Instructor, Allie Greenwood – They were fantastic.

Lastly and most respectfully we want to thank Mayor Harold White for all of his support and guidance over the years, Thank You Sir.

~

Do you have Fresh Ideas? Would you like to help with this fun annual event?

The Corn Festival Board is in need of new members to assist in carrying the festival to our 50th Anniversary in 2018.

Another way to help: Do you have a daughter/granddaughter/niece that would be interested in being part of the Corn Festival Princess Court in 2017? We are looking for young ladies to represent our Event during the festival and throughout the year.

We are interested in new ideas for enhancing future Corn Festival events. You can contact Sonny Newson at 503.313.2325 or Amy Evans by Email: amy.evans@wvbco.com.

AUMSVILLE CITY COUNCIL MEETING HIGHLIGHTS

Aumsville City Council met on Sept. 12, 2016 in the Aumsville Community Center. The following are highlights from those meetings. You can find the full approved minutes on our website at [www.http://aumsville.us/city-council.html](http://aumsville.us/city-council.html)

Mayor White called the meeting to order at 7:03 PM. Council present were Mayor White, Councilors Casarez (arrived at approximately 7:30 PM), Czarnik, Lee, and Walters. Council absent was Councilors Baugh and Seney. City Administrator Harding (CA Harding) and Administrative Assistant Hofmann (AA Hofmann) were also present.

RESOLUTIONS & ORDINANCES:

Resolutions updating authorized persons on the city's accounts were passed.

A RESOLUTION REPLACING RESOLUTION NO. 07-13, TO BE MARKED AS EXHIBIT "A" OF ORDINANCE NO. 308; SETTING COLLECTION FEES FOR SANTIAM SANITARY, DBA REPUBLIC SERVICES OF MARION COUNTY, IN CONNECTION WITH THE EXCLUSIVE FRANCHISE AGREEMENT BETWEEN THE CITY OF AUMSVILLE AND SANTIAM SANITARY SERVICE

Matt Cofer from Republic Services addressed the council and said that Republic has not requested a cost of living increase for three years, and they now have the 9% increase for the tipping fees being charged by Marion County. This is the basis for their fee increase request. He talked about the addition of yard debris service. That is still an option for Aumsville residents; and following calculations of its actual cost, versus their estimate of costs, the cost of yard debris service will be \$4.25 per month, which could be a savings for those that opt out of the service. Councilor Lee asked about the rate increase for the recycling, and Mr. Cofer indicated that there were a greater number of people choosing to use the service; they anticipated 500-550 and there were actually approximately 750 after the service started. Council unanimously approved the resolution.

CONTRACT REVIEW BOARD: Butler Farms Lease Renewal. Council made a motion to authorize the City Administrator to enter into the proposed lease with Butler Farms for farming operation on the 80 acre Farm outlined in Exhibit "A" for September 2016- September – 2022. The motion passed unanimously.

APPROVAL OF MINUTES:

Council motioned to approve the August 8 regular meeting and the August 22 Vision meeting minutes. The Aug. 8th meeting minutes were approved

unanimously. The Aug. 22nd minutes were approved. Councilor Lee abstained.

CORRESPONDENCE: The Chemeketa Area Regional Transportation System (CARTS) Route 30 Proposed Changes were noted and discussed. In the draft plan, Route 35 was discontinued and service above Stayton was discontinued. They are eliminating a stop in Sublimity and a stop at the Safeway in Stayton. There doesn't seem to be a good reason to discontinue the Sublimity DHS and DMV stop. The bus will still continue to go right by that stop. Councilor Czarnik shared the information that there are 3000 Marion County residents and 9000 residents from Linn County in the upper Santiam Canyon. Mayor White said it is federal government money and he thinks this is a disservice to the canyon. Councilor Lee declared a potential conflict of service and said that she signs the lease for the DHS building in Stayton and asked about the ethics of speaking out on that matter. Part of the lease agreement has to do with availability of public transportation. Council indicated that they did not necessarily see a conflict of interest, especially given that it will most likely be a letter from the council as a whole about the discontinuation. Councilor Lee said the decision to discontinue service will eventually cut into the ability of canyon residents' to participate in the DHS program. She believes that it is right to let the board she serves on know about this possible loss. Councilor Lee asked what kind of financing CARTS would need to continue to provide service, even if it was a bit less. She said that transportation is a huge concern for people needing service. She would like to know what that number is. Councilor Czarnik said he went to a meeting in which there were requests for grant monies to ODOT for transportation services. The leader at the meeting said it might make a difference, but you need someone to administer a program like that. Mayor White asked if there was an option for a van to take people from Stayton to the upper canyon. CA Harding said he would like to have a sit down with Cheriotts staff and would like to know if there are some critical pieces the council wants to see preserved, or if they want to preserve the entire route as it is. Councilor Czarnik said that they need to work on the route designation – he doesn't want it defined as an express route; if it is designated as a fixed route, para-transport is required; if an express route, para-transport is not required. Councilor Lee said we need to try to keep as much as possible, but definitely keep the DHS stop. Councilor Czarnik shared that the bus stop in Stayton will be at the park and ride, but they will be going to Circle K on 4th and Washington to turn around. Councilor Casarez said he supports having CA Harding talk to Cheriotts staff, and to wait on the car pooling. Councilor Lee said she believes there is several cities that need to do the same thing. CA Harding said he has already reached out

to some of the local CA's and believes it would be good for them to go together. Mayor White said that Cheriotts is not keeping with the intent of the agreement made through the SRA. Councilor Lee asked if there was any documentation of the intent. It was further discussed. CA Harding doesn't know the timing of the end of the public comments before they make a decision, but he thinks that he can facilitate comments from canyon communities. Councilor Lee said that Cheriotts did an "outreach" at the Saturday market, but they didn't do any advertising to get comment from local residents. Councilor Czarnik said that there will be a representative riding the bus one day to survey the riders. CARTS doesn't want to hear from protestors that fill the bus, just the regular riders. Councilor Casarez asked if Commissioner Cameron has been approached about helping. Rep. Jody Hack was also suggested. It was noted that the county commissioner's breakfast was the next day and attendance by council was discussed.

UNFINISHED BUSINESS: League of Oregon Cities (LOC) Tour of Aumsville – Mayor White said that he has asked City Clerk Rogers to be the guide. The tour will start at city hall; they will then go to the police department and Chief Schmitz will share information and have a tour. The tour will go next to public works and on to the parks: Mill Creek, Porter-Boone and Wildwood Splash Park. The schedule is about a two and half hour tour. CA Harding said it is good to touch on the services in the city and highlight accomplishments (the CH will be paid off next year) and the AHS museum is a great facility. He wants the group on tour to see what tasks our public works staff takes on. He is pretty certain that many cities do not have public works staff that provide as much to their cities as ours do. Councilor Czarnik said he thinks the reading program should be highlighted. CA Harding said we can share the UW video.

Councilor Casarez left at 8:37 pm.

NEW BUSINESS: Vision Court Software – Finance Officer Josh Hoyer explained the cost, indicating it has increased since last year, but not as much as anticipated, since we hosted a potential Vision software client recently – there was a discount as a thank you. The impact is actually less than was budgeted in the fiscal year budget. It should make a big difference to our Police Court Clerk and save a lot of time. Staff recommends purchase of the court software. Councilor Czarnik moved to approve the Vision Municipal Solutions contract in the amount of \$14,575, plus travel expenses, for the new municipal court module, with the amount funded as outlined in the September 12, 2016 Finance Officer's staff report. The motion was amended to reflect a cost of \$14,775 vs. \$14,575. The motion passed unanimously.

CITY ADMINISTRATOR REPORT – CA Harding said that he thought the Corn Festival city booth went well,

and talked about the good amount of foot traffic. It was kind of "last minute" but he thought it was great.

- The Safe Haven management agreement has been signed and the city's requests were honored.
- Julie Nagel has signed the Highberger Park extension.
- ODOT rail was notified there were no objections to Order Rx 1742
- The Aumsville right of way dedication of the school sidewalk status was explained.
- The Law Enforcement Intentional Use of Deadly Force Response Plan was noted and an attachment to the council packet. Marion County have inserted investigation protocols.

AT&T Lease Optimization program and Black Dot Wireless Lease buy out – CA Harding shared an informational sheet that was prepared by Finance Officer Hoyer. The different proposals, as opposed to doing nothing, was compared. The terms and total potential income was discussed and considered. CA Harding said the value of the current lease also includes the ability to budget a set amount.

There is a lease extension request from Verizon, and they are asking for a 30 year extension; the current lease doesn't expire until 2033. The terms and potential for problems were discussed. Staff recommended sitting tight for now and considered approval if Verizon bumps up the signing bonus and gives the city an "out" of the lease in certain conditions.

Tower Capital is asking to buy out all of our leases; there was discussion of the "sublease." Council consensus was to not enter into lease negotiations at this time.

Update to BR&E (Business Retention and expansion project). The surveys have been completed and handed over to SEDCOR and will be formatted into a report and given to the City when its complete.

CA Harding reported on the problems with the current server and computers. He is seeking out contacts to see what is out there and doesn't have any dollar amounts at this time. Councilor Lee asked if problems are being documented. It was discussed CA Harding explained that his understanding is the city saved money in the past with smaller servers and now we are outgrowing them. Police may have to have a different server to provide for the body cams. There were council questions if a cloud system has been considered for storage and security. CA Harding said the city is probably going to look at some cloud-based program and talked about the current restrictions for communication.

CA Harding said that he is used to five categories in the agenda beyond visitors: Consent agenda, old business, new business, correspondence and executive session. He wondered if council would be open to a change. Councilor Lee said she is all about streamlining and all of council were in agreement with trying a condensed agenda. Items can be pulled from consent agenda for discussion if needed.

Council was asked if the Sept 26 visioning meeting will be cancelled, as it has been in the past. Councilor Czarnik said he believes it seems

Visioning Meetings get cancelled at this time of year because of holidays. It was decided a meeting could be called if needed and the council retreat was considered and it would be good to have the extra time to plan for that.

COUNCIL REPORTS

Councilor Czarnik reported on some of the 2017 eclipse happenings and attendance from around the world. He noted that there was a county commissioner in attendance at the planning meeting who indicated that RV parking under 750 would probably be ignored.

Mayor White said he expects the LOC conference to be a good time and council will next meet there.

ADJOURNMENT at 9:34 PM.

The full approved minutes are available for viewing on our website at [www.http://aumsville.us/city-council.html](http://aumsville.us/city-council.html).

SOME GREAT WORDS FROM FAMILY BUILDING BLOCKS:

At Family Building Blocks one of our goals is to help families gain a variety of strategies to help make parenting easier. Just like anything worth while , these tools take practice, so keep on trying, your kids will thank you!

Do's and don'ts of preventing behavioral problems

Your child persists when you tell him/her to stop:

DON'T yell, threaten or use physical force. This increases the intensity of a child's behavior and will not get you the results you are looking for.

DON'T expect your child to do something immediately. His brain is not wired to quickly change his focus.

DO provide "transition times" between daily activities such as: Amount of quiet time before bed, a 5 minute "count down" before dinner, leaving for day care, getting dressed, taking a bath, and finishing play activities.

DO use a calm but firm voice. When you yell, you will not get cooperation from your child. In fact, because of how her brain is wired, you will cause your child not to cooperate.

DO use empathy, say something such as:

- I know you really don't want to get in the car.
- I understand that you want to keep playing with the ball.
- Playing with the ball is really fun. And, now it is time to get in the car.
- You can put the ball away, and when I count to 10, it will be time to get in your car seat.

Sometimes people come to the museum to ask for information. Early this summer a couple living on Poet Road inquired about that name. After 1940, the Richard Henry Poet family moved west of Aumsville on the north side of Mill Creek Road. Later, when the rural roads were named, Poet Road seemed to be an appropriate choice. One of the Poet sons was Richard E. Born in 1920. Dick was a crop duster and had his own airfield. The family had strong ties to Canada. Dick spent a lot of time in British Columbia and used his plane for such work as taking hunters to remote areas. Unfortunately, he died there in Oct. 1964 when the plane crashed.

High annuals. A big thank you to Carol for providing copies of these five annuals; it was a thoughtful way to share.

Terry Snyder came to the museum to renew old acquaintances and try on his Cascade High School band uniform, which is on display. In 1964, there was a devastating fire at the school. His uniform survived because he had taken it home to be cleaned. There is a picture of Terry with his clarinet in the 1966 annual. He says his primary instruments were piano and theatre-style organ, which he played professionally

while he was in college. Terry taught first and second grades in Salem for seven years, after which he taught in Eugene. His mission was to help young children find joy in learning.

On Sept. 10th, a picnic was held in Porter-Boone to honor Aumsville volunteers. AHS was presented with a certificate of appreciation for its work to benefit the community. AHS will meet at 7PM, Thurs., Oct. 13th. The 2016 museum season ends on Oct. 29th. To schedule an out-of-season museum visit or to learn more about AHS, please contact Ted Shepard (503-749-2744) or Karlene Santibanez at (503-749-2585).
