I hereby apply for a vendor space at the Aumsville Saturday Market. I have read this application in its entirety and understand the provisions for vendors. I agree to comply with all conditions set forth. I release and hold harmless the City of Aumsville and any associated entities from any and all liability, including, but not limited to theft, personal injury, acts of war or acts of God. I understand that this application does not guarantee a space in the market place. I understand that acceptance to the market place does not guarantee me sales.

Applicant Signature

## ***Thank you for being part of our 2016 "Aumsville Saturday Market!"***

Here are some guidelines that will help make everything run smoothly:

**Set up** begins at 7am and you should have your booth setup and all vehicles removed by 8:30am (see vendor parking below)

**Space Location:** Please check in with the event coordinators as soon as you arrive and they will let you know where your assigned spot is located.

**Vendor Parking:** You must park at least one block away, so that we leave close parking for your customers. I have gotten permission from Ryan Woodward for you, our vendors, to park in front of their business, Woodward Heating. There are about 8 spaces there on Main St. They just ask that you not block the front steps leading up to the door. You may pull into the market area but, once you have unloaded, please park at Woodward's, or at least a block away, this will open up the parking on the streets around the market area. We appreciate your cooperation.

**No Early Teardown:** No tear down before 3pm. Vehicles will be allowed into the market area to load until 3:01pm. We have advertised that booths will be open until 3pm and need to make sure that we honor that.

**Advertising:** Our events will be promoted through signs, flyers, social media, local newspapers and radio stations, staytonevents.com and Craigslist. Please tell everyone you know and share on your Facebook page. We have a Facebook page specifically for the Saturday Market, look us up!
